Experience

Senior Visualization Artist | JCB India Ltd – Pune

November 2023 – Present

- Independently managed the complete 3D visualization workflow as a single contributor.
- Collaborated with global teams to meet tight project deadlines.
- Solely responsible for delivering visualization assets for AR/VR and Product configurator projects.

Senior Visualization Artist | JCB India Ltd – Pune

November 2022 – 2023

- Created hyper-realistic 3D product models and visualizations using Autodesk Maya and Ray.
- Applied PBR materials, textures, and advanced lighting techniques to achieve photorealistic quality.
- Collaborated with designers and engineers to deliver global projects under tight deadlines.

Senior 3D Modeler | HMX Media – Pune

October 2020 – November 2022

- Developed high-quality 3D models for product visualization and interactive content. Assisted in junior artist training and mentoring as needed.
- Performed quality checks (QA) to ensure model accuracy and consistency.
- Mentored junior artists and supported team training.

Junior 3D Modeler | HMX Media – Pune

November 2019 – October 2020

- Performed quality assurance (QA) on 3D assets to ensure accuracy, proper topology, and scale.
- Supported and guided new team members by sharing modeling standards and workflow practices.
- Applied advanced modeling techniques learned during training to improve asset quality and efficiency.

Trainee 3D Modeler | HMX Media – Pune

May 2019 – October 2019

- Communicate any issue that I feel risky during making a model to my seniors.
- Designed project timeframes and schedules and updated on regular basis.

1 Year freelancing experience
